Tämä on Laurean ja Metropolian kirjastojen yhteinen wikityötila.

Tavoitteena on olla entistä paremmin selvillä työelämän tiedontarpeista ja kehittää kirjaston palveluja, esim. tiedonhaun ja tiedonlähteiden opetusta. Haluamme selvittää ja tehdä näkyväksi mitä voimme tarjota työelämälle ja korkeakoulusta valmistuneille.

Haastattelujen tarkoituksena on kartoittaa minkälaisia tiedonlähteitä työelämässä olevat tarvitsevat.

Ylläpitäjän / päivittäjän oikeudet saat Päivi Karhumetsän kautta Metropoliaista.

Haastattelut

- **Health topics**

✓ Videos for students: alumni describe information practices at work

✓ Knowledge sharing, networks & OA brought up in IL guidance

FUTURE PLANS

- ▶ Develop subject specific LibGuides further with information sources supporting working life
- ▶ Additional page to LibGuides with general working life IL skills
- ▶ Check list about working life practices when students are trainees
- ▶ Alumni video interviews by students during multimedia course
- ▶ Continue current actions

OBSERVATIONS

- ✓ Importance of professional networks in daily work
- ✓ Important to find about knowledge practices when starting in a new job
- ✓ Identify key persons in info flow
- ✓ Information sources taught at universities often differ from those used in daily work
- ✓ Open access information by organizations are not well known
- ✓ Alumni feel it is difficult to manage the information flow

Also libraries have
responsibility to enhance
skills needed at work
after graduation
